Assignment 4

Logo

JUSTIFICATION

Color Theory and Palette

This logo uses a professional and feminine two-color palette of purple and pink, placed against a soft off-white background.

Purple

Function: Purple is the main color used for the woman's profile and the WEN text. It gives the logo a strong and professional appearance.

Theory: Purple is associated with creativity, confidence, ambition, leadership and individuality. These qualities are important for women who want to start and grow their own businesses.

Pink

Function: Pink is used in the upward arrow, parts of the hair design and the tagline.

Theory: Pink represents positivity, warmth, support, care and collaboration. It adds a friendly and approachable feeling to the professional purple.

Off-White Background

Function: The off-white background provides a clean space for the logo and makes the purple and pink elements clearly visible.

Theory: Off-white gives a feeling of simplicity, cleanliness, balance and professionalism.

1. Psychology of Form and Color

The combination of colors and symbols is designed to represent the purpose of the Women Entrepreneur Network.

Purple – Confidence & Leadership

Purple creates a feeling of confidence, creativity and leadership. It represents women who have the courage to develop their ideas and take leadership roles in business.

Pink – Positivity & Support

Pink adds a sense of positivity, care and cooperation. It represents the supportive environment created when women entrepreneurs connect and help each other.

The Forms

Female Profile: Represents women, their identity, confidence and leadership.
Flowing Hair: Represents freedom, creativity and continuous movement.
Upward Arrow: Represents growth, progress, ambition and success.
Circular Shape: Represents unity, community and connection among women.

2. Semiotics and Signification

Semiotics is the study of signs and their meanings. The WEN logo uses different visual signs to communicate the purpose of the network.

The Integrated Composite Sign

Level 1 – Human Identity: The woman's profile represents the women entrepreneurs who are at the centre of the network.
Level 2 – Community: The circular form represents connection, unity and networking.
Level 3 – Result: The upward arrow represents growth, development, achievement and success.

Signifier–Signified Alignment

Signifier (Visual): Female profile surrounded by a circular design with an upward arrow.
Signified (Meaning): Women coming together, sharing knowledge and supporting one another leads to personal development, professional growth and success.

Typographic Semiotics

The letters "WEN" are displayed in a bold and elegant font to make the name clear and memorable. The clean typography represents professionalism, confidence and modern entrepreneurship. The words "Women Entrepreneur Network" explain the purpose, while "Connect · Learn · Grow" communicates its main values.

Overall Effectiveness

The WEN logo represents a community of confident and ambitious women entrepreneurs. The purple and pink colors create a balance between professionalism and warmth, while the female profile represents women and the upward arrow represents growth and success. Overall, the logo communicates that women can connect, learn from one another, support each other and grow together.

Our Tagline

The tagline represents the three main stages of the Women Entrepreneur Network (WEN):

Connect: WEN helps women entrepreneurs connect with other entrepreneurs, mentors, professionals, and potential business partners.

Learn: Through networking, workshops, resources, and mentorship, users can gain new knowledge, skills, and business ideas.

Grow: The knowledge and connections gained through WEN help women develop their businesses,
